Hosting close to 30 *thousand* files covering all footage, audio, PDFs and images we have from Master Sawan Singh Ji to today, sometimes it can feel like a rather daunting task to find something. However, the archive is clearly organized and once you have navigated a couple of times through the website and the downloads, you will know where to go and you will be able to access everything very quickly.

Books and Magazines

The Teachings of Sant Mat, available to all.

Here you can view most publications or download them below, free of charge. The books and magazines contain Satsangs, Bhajans and talks of the Masters, from Kabir Sahib through Sant Sadhu Ram Ji.

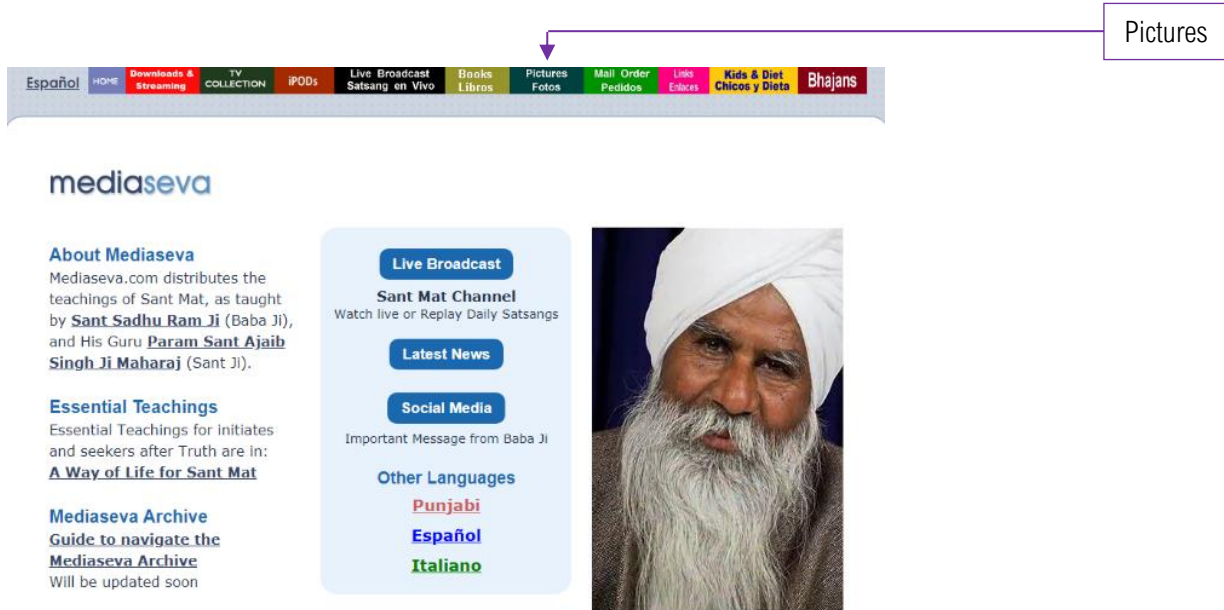

We are grateful to all the sevadars who worked tirelessly over many years to compile, edit, and print this priceless archive, including especially those at Sant Bani Ashram, NH.

Most Publications are included in the TV Collections, and also can be purchased in hard copy or on two CD-ROM discs, called "The Teachings of the Saints." The CD-ROM version is much faster than this online version and the books are not split-up as they are here. The CD-ROMS, with Adobe Acrobat installed in your computer, allow you to do searches across all publications.

To view photographs of the Masters

Go to the Pictures page, click on the Picture button at the top.
